

DERMAL LABORATORIES LIMITED

Raw Materials Purchaser

Competitive salary & attractive benefits

Kempston, Bedford

Full time

An exciting new opportunity has arisen for an experienced purchaser to manage the procurement of raw materials used in the manufacture of Dermal's products.

The role will involve managing and developing a supplier base for raw materials, and ensuring cost savings and efficiencies in procurement and supply.

The successful candidate will:

- have 2-5 years' experience of purchasing chemicals in a regulated manufacturing environment
- have supplier management experience
- hold a degree, preferably in chemistry
- be a member of CIPS
- ideally have experience of IFS or a similar ERP system.
